Code of Conduct and Parental Agreements:

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. I authorise the school to make arrangements for the welfare of my child (including medical or surgical treatment) in an emergency and I agree to meet the associated costs. I have provided to the school all medical information relevant to my child's attending this event.

I give permission for my child to travel by private car, driven by a staff member or parent, in an emergency. I agree to provide any relevant medical information to the school to the excursion.
