Stationery Packs for 2019

Dear Families,

Duffy Primary School will be bulk purchasing resources to supply our students with stationery for 2019. Stationery packs consist of all items that students will require for everyday use in the classroom such as pencils, erasers, sharpener, handwriting book, glue sticks, exercise books, Reading Eggs and Mathletics online subscriptions, headphones and an envision maths textbook.

The costs are as follows:

Students in Preschool: \$20.00

Students in Kindergarten-Year 6: \$85.00

To ensure that your child has their stationery pack in time for classes in 2019, please return the attached form and payment by **Friday 14 December 2018**. **Payment can be made to Duffy Primary in the form of Quickweb, cash, electronic transfer (EFT) or by credit.** We require your child's FULL NAME in the EFT reference section. Without this information, it is difficult to attribute payment to correct family. If you are paying for multiple children, please include FIRST INITIAL of each child and SURNAME please.

Stationery packs are delivered direct to the school and distributed directly to your child's classroom. This eliminates orders being picked up from the school and returned on day one. Some items in the packs will be placed by the class teacher in a central storeroom in their area for use by students as required throughout the year.

If for any reason you are unable to purchase required stationery needs, please contact Alice Lollback on 6142 2510 to discuss a payment plan.

We feel by purchasing in bulk, the school has made every effort to make your child's stationery as well priced and affordable as possible.

Regards

Cindie Deeker

Principal
