## Royal Life Saving ACT - Aqua Safe Program

Dear Parent/Carer,

Duffy Primary School is excited to be offering Year 2 students the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT.

The ACT Education and Training Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the Royal Life Saving ACT Aqua Safe program – a series of 10 practical and 5 theory lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school.

To ensure your child's inclusion in this year's program, please complete the attached permission note and return to school no later than 26 August 2019.

Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.*

*Attendance at this excursion is optional. Schools may offer or facilitate specific optional items, activities and services for which parents are required to pay if they want their child to access them. These excursions are classified as optional enrichment programs. If you do not wish your child to attend then a program will be available at the school.*

The Student Support fund that may be accessed to support students is used for educational purposes and to support students with a variety of educational needs. As this is an optional enrichment activity, the Student Support fund does not cover this excursion.*
