# ONLINE LEARNING AT DUFFY

The online learning will support students to:

- Continue curriculum learning
- Apply knowledge
- Practise skills
- Stay connected with peers and teachers
- Complete online learning activities and tasks with the support of a teacher

- In these challenging times, it is important we provide as much continuity as possible for our children's education, no matter what the circumstances. ACT public schools are among the best in the country and we are committed to ensuring our students continue to receive a high-quality education during this time.
