Animal Home Care - Term 2 Weekend and Holiday Care

Dear parents and carers,

Last term we had a lot of interest in the care of the guinea pigs and unfortunately a lot of students missed out. We have kept the list of students that missed out last term and would like to offer them the first chances for weekend and holiday care. If you would like to care for the guinea pigs could you please return the note by Tuesday 18 May. After this time care notes will be sent to the interested students.

Thanks,

Katie & Vicki (Enviro Centre Co-ordinators)

Animal Home Care - Term 2 Weekend and Holiday Care

Dear parents and carers,

It is that time of year again when Bolt, Jedda, Bindi and Adina, start picking which family they want to spend the weekend and holidays with. If you would like to take home our guinea pigs (Bolt) or (Jedda and her daughters Bindi and Adina) who are in a large crate, they would be very happy to give you and your family members endless cuddles. Please fill out the form below and return to your class teacher.

Each term the roster fills very quickly, so we will have a 'first in, most cuddles' policy with note returns. All food, a carry case and care instructions are provided for these home visits. **These animals need another free range area for them to roam around in over the weekend.** Some families have used a bathroom, temporary penned area, old hutches or their lounge room.

Please tick the boxes that you are available to take home some of our gorgeous animals.
