Royal Life Saving ACT - Aqua Safe Program

Dear Parent/Carer,

Duffy Primary School is excited to be offering Year 2 students the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT.

The ACT Education Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the Royal Life Saving ACT Aqua Safe program – a series of 5 practical and 5 theory lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school.

We will be participating in this program in Week 9, Term 2: Monday June 20th to Friday 24th June 2021.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

Parents should be aware that staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Attendance at this excursion is optional. Schools may offer or facilitate specific optional items, activities and services for which parents are required to pay if they want their child to access them. These excursions are classified as optional enrichment programs. If you do not wish your child to attend then a program will be available at the school.

Parents who wish their child to attend can pay the full amount within the given timeframe, or alternatively, make arrangements to make regular payments through an agreed payment plan. The Student Support fund that may be accessed to support students is used for educational purposes and to support students with a variety of educational needs. As this is an optional enrichment activity, the Student Support fund does not cover this excursion.

We hope all students are able to attend and participate in this valuable learning experience.

If you have any questions, please do not hesitate to contact your child's year two teacher.

Regards,

Bec Thompson, Karla Russell & Stephanie Bourke
