*Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.*

*Parents should be aware that staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.*

*Attendance at this excursion is optional. Schools may offer or facilitate specific optional items, activities and services for which parents are required to pay if they want their child to access them. These excursions are classified as optional enrichment programs. If you do not wish your child to attend then a program will be available at the school.*

*Parents who wish their child to attend can pay the full amount within the given timeframe, or alternatively, make arrangements to make regular payments through an agreed payment plan. The Student Support fund that may be accessed to support students is used for educational purposes and to support students with a variety of educational needs. As this is an optional enrichment activity, the Student Support fund does not cover this excursion.*

We hope all students are able to attend and participate in this valuable learning experience.
