Dear parent/guardian,

We're excited to announce the upcoming **Duffy Primary Spring 2020 Readathon!**

This is a fun new fundraising initiative that builds on the national literacy curriculum to get kids reading as much as possible. Participating is easy: children will sign up sponsors to pledge a dollar amount for books read, per book, chapter, time spent reading or a flat rate. Sponsors can be family, friends – anyone at all, the sky's the limit! Children will read as many books as they can, and in the process raise money for their school (more on fundraising goals at www.duffypandc.org.au). At the end of the challenge, sponsors will make online payments based on how much children have read. We're building our kids' literacy and our school!

Books can be anything your child likes to read. There are plenty available at school for children to access. Check out the street libraries at 11 Foxall Street and 6 Hyndes Street in Holder as well – families are encouraged to use these great resources to swap books.

We will announce a range of fantastic prizes in coming weeks. In the meantime:

READY...Children can colour, bedazzle and return the attached picture to class.

SET...Sponsorship forms and reading logs will be provided at school from 7 September.

...GO! Hit the ground running at the start of week 10, on 21 September!!

The readathon will run over five weeks, from 21 September to 23 October. If you have any questions, would like to get involved or donate books or other prizes, please contact our fundraising coordinator and Year 1 parent, Natasha, at fundraising@duffypandc.org.au.

Let's build our kids' literacy, and our school, together.

Your P&C
