## Pump Track Permission Note

February, 2024

Dear Parents/Carers,

Duffy Primary School is pleased to announce that our pump track will be open in the coming weeks and ready for students to use throughout the school day. We will organise a roster designed to encourage new riders into the sport and allow experienced riders to practise their skills in a controlled setting. The intention for this track is for it to be used on occasional mornings and during lunch times using a roster system to allow full participation for all grades.

All students interested in using our pump track **MUST**:

- Have access to their own roadworthy bicycle which is suitable for riding on dirt and gravel.
- Have a working helmet that meets the Australian Standard for bicycle helmets (AS/NZS 2063:2020).
- Understand that there are risks associated with riding on a pump track and that they are doing so at their own risk.
- Follow all rules and instructions outlined by supervising teachers or members of staff to ensure their safety.
- Return this permission note prior to using the pump track.

There is to be no sharing of equipment when using the track as using unfamiliar equipment adds risk to the activity itself.

If you have any questions, concerns or suggestions for the use of the pump track, please contact Dale Larsen on [dale.larsen@ed.act.edu.au](mailto:dale.larsen@ed.act.edu.au) or call the school on 6142 2510 to leave a message.

We look forward to building confidence, participation and a sense of community through exercise and cooperation.

### Pump Track permission:

I give permission for my child \_\_\_\_\_ in class \_\_\_\_\_ to use the pump track during allocated times. I understand that my child must have their own roadworthy bicycle and helmet that is suitable for use on our track. I understand all information written on this note and acknowledge that my child will be doing so at their own risk.
