

December 2020

## Stationery Packs for 2021

Dear Families,

Duffy Primary School will be bulk purchasing to supply our student stationery needs for 2021. Stationery Packs consist of all items that students will require for everyday use in the classroom such as pencils, erasers, glue sticks, exercise books, Reading Eggs and Mathletics online subscriptions, headphones and educational resources specific to year groups.

The costs are as follows:

Students in Preschool: \$20.00  
Students in Kindergarten to Year 6: \$80.00

***Can you please remember to tick the box on the payment form if you do not wish to participate.***

To ensure that your child has their stationery in time for classes in 2021, please return the attached form and payment by **Friday 18, December 2020**. **Payment can be made to Duffy Primary in the form of Quickweb, cash, electronic transfer (EFT) or by credit.** We require your child's FULL NAME in the EFT reference section. Without this information, it is difficult to attribute payment to correct family. If you are paying for multiple children, please include FIRST INITIAL of each child and SURNAME please.

Stationery is delivered to the school and distributed directly to your child's classroom. This eliminates orders being picked up from the school and returned on day one. Some items in the packs will be placed by the class teacher in a central storeroom in their area for use by students as required throughout the year.

If for any reason you are unable to purchase required stationery needs, please contact Alice Lollback on 6142 2513 or [info@duffyprimaryschool.act.edu.au](mailto:info@duffyprimaryschool.act.edu.au) to discuss a payment plan.

We feel by purchasing in bulk, the school has made every effort to make all items of your child's stationery as well-priced and affordable as possible.
