## 2021 Year 6 Graduation Information

Dear Parents/Carers,

Graduation Celebrations will be held on **Wednesday 15 December 2021**. Due to COVID-19, the format for the day will look different to previous years. Below is important information outlining the day's events.

### Graduation Ceremony

The Year 6 graduation assembly can currently accommodate 2 guests per student. If the COVID restrictions ease and more visitors are allowed, we will send additional information closer to the event.

Year 6 students will be presented with their graduating certificate and graduation gift. There will also be a video presentation from a guest speaker, photo montage, special awards and the graduating students will present the school with their parting gift.

### Year 6 Activity

After the graduation ceremony, the Year 6 students will have a catered lunch (supplied at school) and they will be engaging in an incursion involving a number of fun activities. More information regarding this part of the day will be sent out closer to the date.

### Graduation Dinner

The graduation dinner will be held in the school hall at **5:30 pm** for Year 6 students and staff only. The evening will begin with time for students to mingle. The 2-course dinner will include a range of meats, vegetables and salads. Soft drinks and water will be supplied. After dinner there will be a few short speeches followed by the cutting of a graduation cake. If your child has any special dietary requirements, please indicate this on the attached note. The evening's events will conclude by 7:00pm. Please be ready to collect your child at 7:00pm. More information regarding drop off and pick up procedures will be sent out closer to the date.

### End of Year 6 Celebration Payment

The total cost for the end of year celebrations is \$40 due by **Friday 3 December 2021**.

**Please note:** The graduation activity and dinner are optional enrichment activities for students at Duffy Primary School. Full payment is required before the event in order for students to attend.

We look forward to sharing the wonderful celebrations with you and your child. If you have any questions about the graduation celebrations, please do not hesitate to contact the school on 6142 2510.

*\*If COVID restrictions change, we will update you on any changes to the graduation events.*
