Class Allocations for 2021

Our class teachers are beginning to think about student placements for 2020 and this requires accurate information regarding our student population.

It would assist us greatly if parents and carers could notify us if students are not returning to Duffy Primary School next year (2020). In addition, you are invited to provide any other information which we can take into consideration when attempting to make the most appropriate placement of each child for 2020. Please return the below form by Monday 9 September 2019.

As part of the process of allocating children to classes, the children will be given the opportunity to nominate three friends with whom they would like to share a class next year. They are guaranteed to have at least one of these friends with them, provided it is conducive to learning.

If your child is attending our Preschool program you only need to fill in this form, no online enrolment is required to continue attending Duffy Primary School for Kindergarten to Year 6.

Please place this form in the envelope provided and return to the Front Office.

Regards,
Cindie Deeker
