

10th November 2022

Dear Parents/Carers

The Senior Girls Sport Program will be running for the remainder of Term 4 at Duffy PS, commencing on **Thursday, November 17th**. The Senior Girls Sports Program is an opt-in activity that will take place on Thursday mornings every week from 8:30am – 8:55am. Senior Girls Sports Program is available to Year 3-6 students. The program will be run by Ms Toze, Ms Green, and Mr Currie in the Hall.

Our goal for the program is to support girls in feeling confident in participating in sports activities. We aim to build an inclusive environment where the main goal is participation. The program will aim to develop skills, confidence and cooperations in a range of sports. We will begin with skills associated with netball and basketball. There is no sports experience required and we strongly encourage any senior girl to come and give the program a go.

If your child would like to participate in the Senior Girls Sports Program, please complete the below form as an expression of interest. Please fill in all relevant permissions and return to school by Wednesday the 16th of November. By returning the permission note, it will give staff an indication as to how many students are interested in participating in the program. We will email all families who have returned the note to confirm the details of the program on Wednesday the 16th of November.

If you have any questions, concerns or would like to discuss any of the information contained in this letter please contact our Senior Girls Sports Program teachers,
